Sylvia's Report

Sylvia Fisher Jutila

Fellow Classmates,

Again, I would like to remind you that we are starting an "Annual Class Buffet Luncheon" starting on Friday, September 15 2017. This will give us a chance to gather more often and enjoy the wonderful relationships that started over sixty years ago. I hope to see all of you on September 15, 2017, mark your calendar now. See Page 6 for more information and **Registration** details *******don't wait, register today*******

I have dreaded the day that I would have to announce the death of five of our Classmates, yes, I did say five. With regrets and sorrow here they are.

Stephen Matthew Holt

March 10, 1938 - May 14, 2017

Stephen was born in Ogden, UTah on March 10, 1938 to Matthew Stoker Holt and Rachel Gertrude Smedley. He was an only child until 8 years of age when his sister, Shauna was born. He spent his early childhood in Clearfield, before moving to Bountiful where he lived the rest of his life. He attended Davis County Schools and graduated from Davis High in 1956. He then attended the University of Utah and college in Southern California.

He married Kathleen Linford Holt in 1961. They are the parents of two children, Melissa Holt Gardner (Joel B) and Todd Stephen Holt (Jodi). He is survived by his wife, Kathy, his two children and their spouses, four grandchildren (Lauren Marapodi, Jameson Gardner, Cannon Gardner and Tyson Holt), a great grandson (Max Marapodi) and his sister Shauna Larson (Woody).

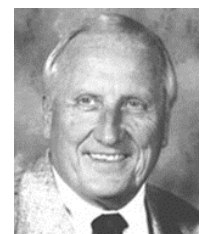

From an early age, Steve was an entrepreneur starting his first furniture business, Holt's Fine Furnishing, at 25 years of age. He was involved in either the wholesale or retail furniture business all of his life both in Bountiful and Salt Lake. He served as President of the Utah Furniture Association, was a member of Oakridge Country Club and was the recipient of many prestigious awards from the furniture industry. He was a quiet philanthropist.

He loved the outdoors, his hobbies included spending time at the family cabin and sailing on the beautiful Bear Lake. He enjoyed traveling the world and studying the culture of each area he and Kathy visited. Not only did he love traveling but he loved staying at home. He delighted in watching nature from his deck, the deer parading in his backyard and watching the sunset's ever changing colors. He loved art, plays, music and especially the Utah symphony. He loved to be around his grandchildren and delighted in their achievements.

Steve was a member of the Church of Jesus Christ of Latter-day Saints.

Towards the end of his life, he was deeply interested in his pioneer ancestry and began gathering everything he could find about his family's heritage. He is loved and will be very missed by his family.

Funeral services were held May 20, 2017 at the North Salt Lake Hidden Lake Chapel. Interment Bountiful City Cemetery.

Nila asked and directed that there would not be any type of obituary or article about her life and death. She also directed that there would not be any type of memorial service for her. Our heartfelt sympathy to the family of those who have passed to their eternal rest. May all those who grieve be

comforted. The Class of 1956 sends their love to Nila, we have not forgotten you and will miss you. Bless your family with good health and strength during these troubled times.

Deanna Burnett Bridges

June 1, 1938 – June 27, 2017

Deanna, our loving mother, returned to her heavenly home, due to heart failure, on June 27, 2017. She was reunited with her sweet husband who passed just 5 months before and was the love of her life. Deanna was born on June 1, 1938 in Ogden, UT to William James and Evelyn Wright Burnett. She grew up in Sunset and attended schools in Davis County where she graduated from Davis High School in 1956. She has always been a social butterfly making many wonderful friendships that lasted throughout her lifetime.

Deanna married her eternal sweetheart, James D. Bridges, on June 6, 1957 in the Salt Lake LDS temple. They made their home in Sunset where they raised their family and made many life-long friendships. She loved spending time with these friends; going to lunch, camping, visiting and Christmas parties.

Deanna worked as a tutor for Davis School District for several years. She also had a love for music, playing the piano by ear and singing with a group called the Sunset Harmonettes. She loved attending the League of Cities with her husband and cherished those memories. Deanna was a member of the Church of Jesus Christ of Latter Day Saints. She left a lasting legacy and a firm testimony of the gospel of Jesus Christ, which she passed on to her children, grandchildren and great-grandchildren. Deanna served in many church

leadership capacities including president of the Primary and Relief Society organizations. She enjoyed serving with her husband as an ordinance worker in the Ogden Temple. Deanna was happiest when she was surrounded by her loving family. She loved the time spent at family barbecues, Bear Lake outings and special family events. We will always cherish the long conversations that we had with Mom expressing our concerns in life. She always had a tender listening ear and great advice that came along with it.

Deanna is survived by her five children, Debbie (Dave) Marshall, West Point; Jan (Karl) Sewell, Clinton; Julie (Matthew) Wood, Mapleton; Lynda (Brian) Smith, Clinton; Todd (Candace) Bridges; Syracuse; 17 grandchildren; 22 great-grandchildren. James "Jim" Cardon Reading December 7, 1937 – June 28, 2017

James "Jim" loving husband, father, grandfather and friend, passed away peacefully on June 28, 2017. Born December 7, 1937 in Ogden, UT to Keith Evans Reading and Lucile Cardon Reading. He grew up in Oakland, CA; Provo, UT; and Centerville, UT in the Reading family home. Jim loved knowledge, from an early age he was excited to learn, especially about numbers. He attended

Centerville Elementary, South Davis Jr. High, Bountiful High School and graduated from Davis High School in 1956. After High School he was accepted to Stanford University where he received his B.S. in Math, an M.S. in Computer Science and a Ph.D. in Statistics. After receiving his B.S., his National Guard unit was called up and he spent time in Texas. He met his eternal companion, Lorna Wright, while attending school in California. They were married in the Salt Lake Temple, August 31, 1964. He was a faithful member of the Church of Jesus Christ of Latter-Day Saints. He was hired at the University of Utah in 1970 and worked as a statistician in the Family Preventative Medicine Department until his retirement in 2001. He worked hard, was honest and a faithful supporter of his wife, children and grandchildren. Jim is preceded in death by his parents and a sister-in-law, Patricia Wright. Now for some positive news----

George and I packed up the car and away we went, first stop Palmdale, CA (Mojave Desert) to visit our son and his family. Jim and Lynn have 3 young children, 5, 8 and 9, so it is fun to be here. We just stay inside with air conditioning, it got up to 108 one day. Nothing grows voluntarily.

Next stop, Coronado, CA. We had a great visit with Caroleen Slotboom Williams. She has a beautiful condo on Coronado Bay. She is soon off to Madagascar, one of the few places she hasn't been. She is still very busy, on a lot of committees and monitors elections through the United Nations. She just returned from monitoring elections in Macedonia. Her partner was the deputy director of Russia's equivalent of our State Department. They had 8 Russians at the elections, monitoring and watching. I am sure no one knows how old Caroleen is, she could pass for being in her 40's.

Our oldest daughter Jennie lives in Mission Viejo, CA. She had a daughter (Summer) get her Master's degree at UC Irvine (University of California at Irvine) in engineering.

Another daughter got married in April. She married Parker Call who is a descendant of Anson Call so they are probably 5th cousins. Rents are very high in Southern California and they are both still in college, they are going to live on a boat. Parker has a sailboat now that is worth \$8,000, they are buying a motor launch that has 2 bedrooms and a large lounge and kitchen. He is getting his Captain's license so he can take up to six fishermen out on Saturdays for fishing trips. Their slip costs \$450 a month and they couldn't rent an apartment for under \$1,000 a month.

Summer is buying the sailboat, she will be working for Northrup Grumman and for now has a slip that will only allow her to live on her boat for nine days a month. She is hoping to find a better slip and she would live on the sailboat. She is hoping to be working on the James Webb telescope, which is the next generation of space telescope after the Hubble. At her college graduation ceremony, the speaker was the head scientist on the telescope, when she saw Summer she told her she was looking forward to seeing her in a couple of weeks. They let her have two weeks of R and R before starting. Summer worked during her last year for UC Irvine on developing programming for Raspberry Pi's to monitor water in Africa for microbes. She made enough money to buy a car and the sailboat.

Our last stop on the trip was in Las Angeles, CA to spend a couple of days with our son who is moving to Washington the end of July. We arrived home on the 27th in time for friends coming up from Mexico. We also have other people living at the house right now.

We are just slightly crazy!

We finished up the month of June with our 59th Anniversary on June 30th. We celebrated with a special dinner of buffalo and abalone. Hope to see all of you at our Class Buffet Luncheon on Friday, September 15th.
